Reopening Protocols for K-12 Schools: Appendix T1

Recent Updates

These five key areas contain numerous strategies that your school may choose to implemene...

APPENDIX T-1:

- These screenings can be done in-person upon arrival at the site or remotely before arrival using a digital app or other verifiable approach.

- Note that current Cal/OSHA ETS requires employers to exclude employees from the workplace who have COVID-19 symptoms and/or are not fu TfP(1)12.9t5/yErTd[ha)2.998 (ve)-12.998 (C)5 (O)-4.004 (V)4

for the 2021-22 school year.

‰ It is recommended that employees be instructed to wash or replace their face masks daily and parents be instructed to ensure that children have clean face masks.

‰ To ensure that masks are masks.nstr

B. MEASURES TO ALLOW FOR RECOMMENDED PHYSICAL DISTANCING AND REDUCE CROWDING BY STAFF, STUDENTS AND VISITORS (CHECK ALL THAT APPLY)

NOTE

‰ Consider adopting a school-wide approach to creating and maintaining stable groups, in which supervising adults and children stay together for as many activities as possible (e.g., meals, recreationksTf192.17 715.5612 79

‰ Consider implementing measures to promote physical distancing in school areas used for student support services.

- Student support staff, including school employees (nurses, guidance counselors, therapists, etc.) and employees of adjunct support programs (clinicians, health educators, etc.) are encouraged to maintain when feasible physical distance while engaging in student support activities.
- Furniture and equipment in school areas used for student support services are arranged to promote distancing between any two students and/or between students and staff.
- Sharing of equipment and supplies is avoided where possible.
- Staff offering student support services are provided with appropriate Personal Protective Equipment (PPE) per Cal OSHA requirements.

C. MEASURES THAT ENSURE INFECTION CONTROL (CHECK ALL THAT APPLY TO THE FACILITY)

‰ Symptom screening is recommended to be conducted before students, visitors and staff enter the school. Screening should include a check-in concerning symptoms consistent with possible COVID-

not required to quarantine but are strongly recommended to be tested for COVID-19 as a result of their exposure regardless of their vaccination status.

‰ Consider implementing measures to limit risk of infection due to visits by individuals other than staff and students. These may include (check all that apply):

- Visitors should be U H J L V W H U H G d be

APPENDIX T-1:

‰ A copy of this protocol is posted at all public entrances to the school and uploaded to a public facing page on the school or district website.

‰ Signage has been posted throughout the school reminding staff and students of policies concerning use of face masks and importance of hand washing.

‰ Signage is posted at each public entrance of the school informing visitors that they should not enter the facility if they have symptoms of COVID-19.

‰ The school has developed and circulated a communication plan in case full or partial closure is required due to a possible cluster of COVID-19 cases.

‰ Online outlets of the school (website, social media, etc.) provide clear, up-to-date information about building hours, visitation policies, changes in academic and extracurricular programming, and requirements concerning use of face masks, physical distancing, and hand washing.

‰ Online outlets instruct students, parents, and teachers on how to contact the school in case of infection or exposure.

E. MEASURES THAT ENSURE EQUITABLE ACCESS TO CRITICAL SERVICES

‰ A plan for updating Individualized Education Plans (IEPs) and 504 Plans of students with special needs has been developed to ensure that education can continue without undue risk to the student.

- This plan includes a method for proactive school contact with parents at the beginning of the school \HDU WR DVVXUH WKDW LVVXHV UHODWHG WR WKH FKLOG¶V HG
